Subject: Appointment of Interim Local Chairman

Dear Brothers and Sisters:

Effective March 23, 2015, newly appointed President Shawn Fensler appointed me to the position of Interim Local Chairman. I proudly accepted this role with pride and honor. With the office of Local Chairman comes different responsibilities. Instead of ensuring fiscal stability and conducting Lodge meetings, my role now in Heartland Lodge is to make sure the Carriers fulfill their contractual obligations. I also will be affording you the best protection and representation possible. I believe we will make this possible by:

Communication: If there is a situation your Vice Local Chairman cannot help you resolve, feel free to contact this office.

Correspondence: I will maintain a priority of keeping everyone updated on the latest issues.

Collaboration: By working together, we can accomplish many things.

In closing, everyone in Lodge 6760 has a voice. Be proactive, support your fellow Brothers and Sisters, and take pride in your work. I will always be....

Fraternally yours,

Christopher K. Pierce
